JOS. Phillips' Original Sausage

To the Public:
 My sausage is made from the finest and best pork in the country. Every hog, before killed, is inspected by a U. S. Government veterinary surgeon and every ham and shoulder prepared for sausage, therefore it is absolutely impossible to use any unclean, tainted, or diseased meats. My seasoning is made from the purest imported spices, and is uniform and never varying in flavor; healthy, not greasy, and easily digested.
 My factory is the neatest, cleanest, most sanitary, and up-to-date one in the District. Open daily for public inspection. I personally direct and superintend the manufacture of every pound of sausage made by my expert help. Be sure the Government inspection stamp is on each package.
 Yours, very respectfully,
JOS. PHILLIPS.
